# FRESHEN DISINFECT POLISH CLEAN

Nothing cleans, disinfects, polishes, freshens or kills bugs more conveniently than **IND/COM** aerosols. Each formula is specially designed to be effective without mixing, pouring or creating a mess. The full product line covers nearly every housekeeping need. For more information, contact your **IND/COM** representative today.

## Apple Orchard Dry Air Freshener

Apple Orchard Dry Air Freshener is the perfect choice for use in bathrooms, sick rooms, basements, smoke-filled areas, offices or anywhere malodors are a problem. The unique “dry” aerosol formula will not stain fabric or leave a wet residue on surrounding surfaces.

4026443 - 6/10 ounce cases

## Citrus All Purpose Cleaner

Citrus All Purpose Cleaner is formulated with orange citrus solvents. It easily removes dirty handprints from doors and walls, scuff marks from floors, bathtub rings, soot, grease, smoke film, oil, light carbon, dust and crayon marks. Plus it deodorizes while it cleans.

064108 - 6/19 ounce cases

## Citrus Splash & Fresh Linen

Citrus Splash & Fresh Linen air fresheners eliminate smoke and other malodors. A citrus or fresh linen mist will be released on timed intervals. One aerosol can last over 30 days.

5369907 - 12/7 ounce cases  
Fresh Linen  
5369974 - 12/7 ounce cases

## Disinfectant Cleaner

Disinfectant Cleaner is a triple-duty, EPA-registered product that kills germs on contact. It can be used for hard surface cleaning, disinfecting and deodorizing.

064154 - 6/19 ounce cases

## Disinfectant Deodorizer

Disinfectant Deodorizer, an EPA-registered product, kills and disinfects a variety of germs and viruses, including the HIV-1 virus (AIDS virus) on hard surfaces. It also leaves a pleasant floral fragrance in the surrounding area.

064156 - 6/15.5 ounce cases

## Flying Insect Killer

Flying Insect Killer is a special formula that kills flying and crawling insects on contact, while leaving a pleasant cherry blossom fragrance in the surrounding area.

064151 - 6/15 ounce cases

## Furniture Polish with Lemon Oil

Furniture Polish with Lemon Oil is formulated to clean and restore the original look of plastic, wood, vinyl and stainless steel. The unique foaming ability of this product provides longer contact time, making dust removal easier.

064166 - 6/19 ounce cases

## Glass Cleaner

Glass Cleaner is a non-ammoniated, glass cleaner that is an excellent choice for use on glass, plastic, vinyl and plexiglass surfaces. The non-streaking, concentrated high-foaming formula provides increased contact time, eliminating excessive wiping. The result is a streak free shine.

064158 - 6/19 ounce cases

## Oven Cleaner

Oven Cleaner is a concentrated formula that has a special surfactant blend that allows for longer contact time on vertical surfaces, making cleaning easier. Simply spray on to clean off baked-on food and grease.

064164 - 6/18 ounce cases

## Stainless Steel Cleaner (Petroleum based)

Stainless Steel Cleaner is a lemon-scented, non-abrasive, petroleum-based aerosol formulated to clean, polish and protect stainless steel and most other metals without scratching or harming the surface. The protective coating resists fingerprints and grease making routine cleaning an easier job.

064149 - 6/15 ounce cases

## Stainless Steel Cleaner (Water based)

Stainless Steel Cleaner is a non-abrasive, water-based aerosol designed to clean, polish and protect stainless steel and most other metals without scratching or harming the surface. The protective coating resists fingerprints and grease making routine cleaning an easier job.

064162 - 6/16 ounce cases
