Approvals	cRc

Pack Sizes

4948317 6/32 ounce cases

Directions For Use

Equipment: Clean cloth and rubber gloves (recommended).

Use Dilution: Ready to use.

Directions:

Apply this product to surface and wipe with a soft cloth, spreading and rubbing in to be sure entire surface is covered. For heavier soil, a brief soaking period should be allowed after application, then continue rubbing until accumulated soil is removed. Cloth should be turned frequently to

keep the clean areas "working" with the polish. Never use this polish on food contact surfaces. Rubber gloves recommended.

NOTE: Never use on floors. Protect floors from overspray as the product ingredients may make floors slippery. If oversprayed onto a floor, scrub with detergent and dry thoroughly.

Safety Reminder

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at www.uschemical.com and is also available by scanning the QR code on the label.

Check with USC regarding product availability and product registration status in your state. Contact your sales rep for more information.
