warewash program

316 Hart Street, Watertown, WI 53094 • Customer Service 800.424.1075

U S Chemical's Private Label Warewash Program is designed to meet our customers' needs. We offer a complete line of quality and affordable warewash products available in your own private label. Imagine the value of having your own label on a complete offering of warewash products available only from you. These quality products combined with your label, service and reputation will build customer loyalty and brand recognition within your marketplace.

The advantages are numerous:

- A product for every application.
- A complete selection of pack sizes.
- An offering of hyper-concentrated products in 3100 mL environmentally friendly reduced packaging.
- An offering of economically priced products, available for cost sensitive customers.
- Using your logo, we design a label that complies with all regulations and provides you with your own warewash brand.* No charge!
- To qualify, you only need to meet U S Chemical's minimum order requirements, \$1,000 per order.
- Please allow 6-8 weeks for the first order. Subsequent orders require a 7 day lead time.

MiniMAX Premier Lock Out System

The MiniMAX family of products will provide great results, competitive use cost, environmentally friendly packaging, safety and requires minimum storage space. Micro Technology allows us to concentrate more active ingredients into our case of two 3100 mL canisters than are contained in most 5 gallon pails. These unique formulations were engineered to handle all of your warewashing needs. The dishmachine detergents are designed to perform in all water conditions as well as in both low and high temperature machines. The mechanical warewash rinse will provide sparkling spot free results, even in the toughest water conditions. The ancillary products, are formulated with performance and user safety in mind.

Manual Pot & Pan Detergent

Pack Size: 2/3100 mL*

Manual Pot & Pan Detergent is a top quality, lemon scented liquid detergent designed for all food service and manual cleaning. It is the finest liquid detergent available for dishes, glasses, silverware, pots, pans and utensils. This product is kind to hands and works well in hard or soft water. It is a fine grease cutter, gives long lasting suds, excellent soil suspension and rapid free rinsing for fast, brilliant drying.

Mechanical Warewash Detergent

Pack Size: 2/3100 mL*

Mechanical Warewash Detergent is a super-concentrated, non-chlorinated, machine warewashing detergent. It is designed to provide sparkling clean dishware in all water conditions and can be used in both high and low temperature dishwashing applications.

Manual Utensil Presoak

Pack Size: 2/3100 mL*

Manual Utensil Presoak is a highly concentrated product designed for presoaking silver and stainless steel utensils. Its excellent soil-penetrating and softening abilities quickly loosen dried-on or hardened foods.

Mechanical Warewash Rinse

Pack Size: 2/3100 mL*

Mechanical Warewash Rinse is a super-concentrated machine warewashing rinse. It is designed to provide spot-free dishware in all water conditions and can be used in both high and low temperature dishwashing applications. Mechanical Warewash Rinse provides minimum packaging and maximum performance.

Mechanical Metal Safe Detergent

Pack Size: 2/3100 mL*

Mechanical Metal Safe Detergent is a super-concentrated, non-chlorinated, machine warewashing detergent. It is designed to provide sparkling clean dishware in all water conditions and can be used in both high and low temperature dishwashing applications. This product provides minimum packaging and maximum performance. It is safe on metal.

Phenom X Pot & Pan Detergent

Pack Size: 2/3100 mL*

Phenom X is a highly concentrated, superior performing product. At 1 ounce to 15 gallons of water, Phenom X will quickly cut through the heaviest amounts of grease and fat while providing long lasting suds. The advantage to using this product is that it will provide food service personnel a quick, yet extremely efficient way to wash heavily soiled dishware. The real value associated with using Phenom X is the long term labor savings and cost reductions realized with every wash.

*Some pack sizes are available with private case label only.

Failsafe®

Pack Size: 4/8 lb.*

Failsafe is a chlorinated, powdered mechanical dishwash detergent specially formulated to provide constant soil attacks. Its heavy duty formula contains metal protectors and removes tough, greasy soils. Failsafe works in all water hardness conditions. Its uniquely designed, recyclable canister is easy-to-install and encapsulated, which eliminates employee contact with the concentrate.

Premier Lime Solvent

Pack Size: 4/1 gal.

Premier Lime Solvent is an acid blend designed for rapid lime and mineral soil removal. It provides quick penetration of lime soils and free rinsing for exceptional results. It is an excellent choice for the recirculation cleaning of dishmachines. This non-fuming acid concentrate may also be used to remove lime or mineral films on other kitchen equipment or utensils.

Fury

Pack Size: 4/8 lb.*

Fury is a non-chlorinated, metal-safe warewashing concentrate with polymer technology that works best in soft to medium water hardness conditions. This product will not react with iron in the water supply and is safe on aluminum. Its uniquely designed, recyclable canister is easy-to-install and encapsulated, which eliminates employee contact with the concentrate.

Premier Manual Dish Detergent

Pack Size: 4/1 gal. & 5 gal.

Premier Manual Dish Detergent is a top quality, lemon scented liquid detergent designed for all food service and manual cleaning. It is the finest liquid detergent available for dishes, glasses, silverware, pots, pans and utensils. This product is kind to hands and works well in hard or soft water. It is a fine grease cutter, gives long lasting suds, excellent soil suspension and rapid free rinsing for fast, brilliant drying.

Inception™

Pack Size: 6/32 oz.*

Inception™ is a highly concentrated, superior performing product. At 1-2 ounces to 10 gallons of water, this product will quickly cut through the heaviest amounts of grease and fat while providing long lasting suds. The real value associated with using this product is the long term labor savings and cost reductions realized with every wash.

Premier Oven & Grill Cleaner

Pack Size: 6/1 qt. & 4/1 gal.

Premier Oven & Grill Cleaner is an institutional strength cleaner, formulated for removing heavy, baked-on deposits of grease. It clings to vertical surfaces for maximum contact time and chemical cleaning action. This product is non-flammable and ideal for use on gas-operated equipment. It's perfect for use on all stoves, ovens, deep-fat fryers, exhaust fans, hoods, filters, and barbecues.

Premier All Purpose Cleaner

Pack Size: 2/1 gal., 4/1 gal. & 5 gal.

Premier All Purpose Cleaner is a general purpose cleaner and degreaser for all maintenance needs. It is a pleasantly scented, easy to use liquid that will quickly clean greasy soils, atmosphere grime and everyday dirt. It removes soils without great effort. It is also an excellent detergent for pressure-spray cleaning operations. It is ideal for cleaning hoods, fans, deep fat fryers and similar items. This product is rugged enough for industrial maintenance and cleaning applications.

Premier Rinse Aid

Pack Size: 4/1 gal., 5 gal. & 15 gal

Premier Rinse Aid is a very effective rinse additive for high temperature mechanical dishwashing final rinse applications. It lowers water surface tension to speed surface drainage and provides clean, spot free dishware. This product will do an effective job in most water conditions and can be dispensed through any commonly used rinse additive dispensing equipment.

Premier Floor Cleaner

Pack Size: 2/1 gal.

Premier Floor Cleaner uses surfactant cleaning technology combined with enzyme producing bacteria. The result is a one step process which effectively cleans the top surface of the floor, while leaving behind grease eating bacteria that digest build-up in porous tiles and grout. Continuous use of this product produces extremely clean floors with no trace of build up problems that contribute to slip and fall accidents. It is non-corrosive.

Premier Warewash Detergent

Pack Size: 4/1 gal. & 5 gal.

Premier Warewash Detergent is a chlorinated liquid mechanical dishwash detergent specially formulated to provide strong constant soil attacks. It is fortified with grease emulsifiers and stain removing agents that produce sparkling, clean dishes.

*Some pack sizes are available with private case label only.

All Purpose Cleaner

Pack Size: 4/1 gal.

All Purpose Cleaner is an excellent general purpose cleaner designed for all maintenance needs. The removal of greasy soils and everyday dirt becomes quick and easy. This product will leave soil affected areas clean, bright and a fresh scent. Its economical 5-6 ounce per gallon solution will handle most of your maintenance needs.

Utensil Presoak

Pack Size: 4/1 gal. & 5 gal.

This Presoak is specially designed for pre-soaking of silver and stainless steel utensils and detarnishing. It has been specially formulated to remove tough soils from flatware and restoring tarnished silver. It's blend of builders and surfactants penetrates soil quickly without attacking metal. When this product is in use, silverware comes out clean after each single trip through the dishwasher.

Grill & Oven Cleaner

Pack Size: 4/1 gal.

This ready-to-use grill and oven cleaner is designed to eliminate the use of abrasives in the cleaning process. Its powerful grease removing components quickly pick up burned on soils, cleaning all surfaces completely. Regular use of this ready-to-use product will eliminate the cause of rancid odors and stale taste.

Rinse Aid

Pack Size: 2/1 gal., 4/1 gal. & 5 gal.

Rinse Aid is designed to lower water surface tension, providing clean, spot-free dishware in all temperatures. This product will do an effective job in most water conditions eliminating the worry of water mineral spots remaining on the dishware.

Lime Solvent

Pack Size: 2/1 gal. & 4/1 gal.

As a high performance lime scale remover, this lime solvent will provide quick penetration of lime soils with free rinsing for exceptional results. It is designed to tackle the toughest soils. This product is an excellent choice for recirculation cleaning of dishmachines as well as the general removal of mineral deposits on kitchen equipment or utensils.

Warewash Detergent

Pack Size: 4/1 gal. & 5 gal.

Warewash Detergent is a non-chlorinated, liquid warewash detergent designed for all temperature warewashing. It is fortified with special water conditioners and grease emulsifiers to tackle the tough jobs. It is very economical, yet strong enough for most applications.

Manual Dish Detergent

Pack Size: 4/1 gal. & 5 gal.

Manual Dish Detergent is for use in food service areas. At 1 ounce to 1 gallon of water, it will eliminate those unwanted food soils, such as grease, oil and fat that are commonly found on soiled kitchenware. This mild product does not harshly affect hands, as other products of this type may. This product provides a clean, fresh scent, long lasting suds and spotless kitchenware.
