

# HYDROGEN PEROXIDE G.P. CLEANER

## FEATURES

- Green Seal™ certified
- Contains Hydrogen Peroxide
- Fast acting

## BENEFITS

- Safer for users and the environment
- Excellent stain removal
- Reduces labor time

## RECOMMENDED USES

For cleaning and destaining throughout institutional facilities

## SPECIFICATIONS

**Color** : Colorless

**Scent/Odor** : Citrus

**Character** : Slightly hazy, non-viscous liquid

**Foam** : Moderate to low

**pH use dilution** : 6.2 - 7.5

**Phosphorus content** : 0.0%

**Certifications** : Green Seal™

**Approvals** : cRc

## IMPORTANT

Wear chemical-splash goggles and chemical-resistant protective gloves when handling the product concentrate. Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.

## PRODUCT DIRECTIONS

### EQUIPMENT TO USE

Spray bottle, clean towel or cloth.

### DIRECTIONS TO USE

Fill mop bucket or spray bottle with proper use dilution of product as shown below. For glass, restroom, and general spray and wipe cleaning, apply to surfaces to be cleaned, allow sufficient time to loosen soil, then wipe, mop, or squeegee surface. For floor cleaning, apply to floor, allow sufficient time to loosen soil, then mop surface. For carpet spotting, apply to carpet spot, agitate and rinse with water. For carpet prespray, spray on carpet and extract with cold water. For carpet extraction, fill carpet extraction tank with diluted product, and extract floor according to carpet extractor instructions. LIGHT DUTY CLEANING: 1:256 dilution (1/2 oz per gallon of cold water) for spray and wipe cleaning of glass, metal fixtures, counter tops, and other washable surfaces. At this dilution this product can also be used for daily floor cleaning and carpet extraction. MEDIUM DUTY CLEANING: 1:128 (1 oz per gallon of cold water) for cleaning of finished and unfinished floors. At this dilution, this product can also be used for spray and wipe cleaning of washable surfaces as well as carpet prespray. HEAVY DUTY CLEANING: 1:64 dilution (2 oz per gallon of cold water) for cleaning sinks, tile & grout, and shower surfaces in the restroom. At this dilution, the product can also be used for spray and wipe cleaning, degreasing, deodorizing surfaces and carpet spotting.

**CONTAINER DISPOSAL** Please dispose of any unused product in accordance with federal, state, and local regulations. Please recycle container.

Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.

## PACKAGING

This product is available in 2/1500 mL canisters (4617690) and 4/1 gallon cases (4504417).

\*This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.
