

Re-Nu

Enzyme Active Presoaking Detergent

Re-Nu is a highly concentrated institutional enzyme presoak and detergent. It readily removes “bleach-proof” stains from hand or machine washable fabrics. It is completely color-safe but is not for use on silk or woolen fabric. The enzymatic-action of this product quickly attacks and removes such stains as blood, chocolate, coffee, fruit juice and other protein food soils. It is compatible with all sewage systems.

Specifications

Color	White with brown specks
Scent/Odor	None
Character	Granular powder
Foam	Moderate to low
pH Use Dilution	10.5 - 11.5
Phosphorus Content	6.3%
Approvals	None

Pack Sizes

057182	25 pound box
