

**Revolutionary patented Sealed Bristle Technology™ has brought unsurpassed value and benefits to thousands of public restrooms around the world.**

- Anti-splash design prevents splashback, reduces odor, floor and surrounding wall deterioration and the spread of bacteria throughout the restroom.
- Significant cost savings by reducing inventory, labor costs and product/packaging waste.
- Powerful fragrances last 30+ days, making the powërscreen ideal for monthly maintenance plans.
- Improved hygiene in water and waterless urinals.
