

PROline™

Hel-Cat®

Concentrated Cleaner Designed Specially for Static Dissipative Floors

Hel-Cat® is a concentrated, liquid, multi-purpose cleaner, containing concentrated wetting agents to give fast penetrating action on heavy soils. Hel-Cat® also contains no phenolic, petroleum derivatives or organic solvents, and is formulated with rust and corrosion inhibitors to protect newly-cleaned metal from flash rust. This product presents no fire hazard and contains no petroleum solvents, toxic chlorinated solvents or abrasives making it the perfect choice for use on static dissipative floors.

SPECIFICATIONS

Color	Light Amber
Scent/Odor	None Added
Character	Clear, non-viscous liquid
Foam	Moderate
pH Use Dilution	10.0 - 11.0
Phosphorus Content	1.2%
Approvals	cRc

PACK SIZES

101100085	55 gallon drum
-----------	----------------

DIRECTIONS FOR USE

Equipment: Spray Bottle, Mop and Pail, Sponge, Cleaning Cloths, Appropriate Measure Devices.

When cleaning floor or hard surface, sweep/dust area prior to application. Dilute 3-4 ounces per 1 gallon of water in a wash bucket. More concentrated solutions can be used when heavier soils are encountered. Always use a clean mop or applicator. Apply to surface. Rinse mop or applicator, wring out and pick up excess solution. Repeat if necessary.

NOTE: Floors will be slippery when wet or contaminated with foreign materials. Promptly clean up spills and foreign materials.

SAFETY REMINDER

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at www.uschemical.com and is also available by scanning the QR code on the label.
