Golden Suds

Manual Pot & Pan Detergent

SKU 101100135 - 5 gal.

Golden Suds is an economical manual pot and pan detergent designed for institutional use. It is fortified with the high suds, grease cutting components that make up the most expensive of products, yet costs much less. This product is mild to the hands and has a pleasant lemon scent.

Green Detergent

High Quality Manual Pot & Pan Detergent

SKU 101100139 - 4/1 gal.
SKU 101100140 - 5 gal.

Green Detergent is a special detergent designed for the manual washing of pots, pans, dishes, utensils and kitchen equipment. This product features rich, long lasting suds, excellent grease cutting ability and provides outstanding results. It is mild to hands and pleasantly scented for regular kitchen use.

ES-I

Low Temperature Warewashing Detergent

SKU 101100130 - 4/1 gal.
SKU 101100151 - 5 gal.

This non-chlorinated liquid warewash detergent has been designed specially for low temperature warewashing. It is fortified with special water conditioners and grease emulsifiers to tackle the toughest jobs, even when washing in low temperatures. Strong, yet safe and economical, it is a must for all low temperature warewashing operations.

HD Klean

Heavy Duty Chlorinated Warewashing Concentrate

SKU 101100126 - 4/8 lb.

HD-Klean is a chlorinated, powdered mechanical dishwash detergent specially formulated to attack heavy soils. Its heavy duty formula contains metal protectors and removes tough, greasy soils. HD Klean works in all water hardness conditions.

HD Klean SW

Heavy Duty Chlorinated Warewashing Concentrate for Soft Water

SKU 101100124 - 4/8 lb.

HD Klean SW is a chlorinated, powdered mechanical dishwash detergent specially formulated to attack tough, greasy soils. HD Klean SW works best in soft to medium water hardness conditions.

NC All Temp

All Temperature Warewashing Detergent

SKU 101100127 - 4/1 gal.
SKU 101100142 - 5 gal.

NC All Temp is a non-chlorinated liquid warewash detergent designed for all temperature warewashing. It is fortified with special water conditioners and grease emulsifiers to tackle the tough jobs. It is very economical, yet strong enough for most applications.

Kleer 'N Klean

Metal Safe Detergent

SKU 101100125 - 4/8 lb.

Kleer 'N Klean is a chlorinated, powdered mechanical dishwash detergent specially formulated to attack heavy soils. It is fortified with grease emulsifiers and stain removing agents that produce sparkling, clean dishes. Kleer 'N Klean can be used in all water hardness conditions. It is safe for use on aluminum.

Kleer 'N Klean SW

Chlorinated Detergent for Soft Water

SKU 101100448 - 4/8 gal.

Kleer 'N Klean SW is a chlorinated, powdered mechanical dishwash detergent specially formulated to attack heavy soils. It is fortified with grease emulsifiers and stain removing agents that produce sparkling, clean dishes. Kleer 'N Klean SW works best in soft to medium water hardness conditions. It is safe for use on aluminum.

Liquid Utensil Presoak

Presoak for Silver and Stainlessware

SKU 101100122 - 4/1 gal.

Liquid Utensil Presoak is specially designed for presoaking of silver and stainless steel utensils. Its excellent soil penetrating and softening abilities quickly loosen dried-on and hardened foods. When this product is in use, silverware comes out clean after each single trip through the dishmachine.

Marquis™

Granular Presoak Concentrate

SKU 101100110 - 4/7 lb.

Marquis™ is a fresh-scented, granular presoak that comes in a unique canister for safe and convenient use. It's alkaline/surfactant blend penetrates soils quickly to remove tough food soils from flatware.

Oxy Destainer

Plastic & China Destainer

SKU 101100124 - 4/3.7 lb.

Oxy Destainer is designed for destaining plastic, china, stainless steel and most other kitchenware. Rapid wetting action penetrates into pores of tableware and releases powerful oxygen destaining agents. Coffee, tea and other food stains have no chance against this highly active product. Oxy Destainer works best when pre-dissolving in hot (120°-140°F) water.

Soak-It

Utensil Presoak

SKU 101100123 - 4/4.1 lb.

Soak-It is a concentrated, powdered formula designed for pre-soaking of silver and stainless steel utensils. Its excellent soil penetrating and softening abilities quickly loosen dried-on or hardened foods. Silverware or stainless comes out clean after each trip through the dishmachine.

Dry 'N Quick

All Temperature Drying Agent

SKU 101100107 - 4/1 gal.
SKU 101100106 - 5 gal.

Dry 'N Quick is designed to lower water surface tension, providing clean, spot-free dishware in all temperatures. This product will do an effective job in most water conditions, eliminating the worry of water mineral spots remaining on the dishware.

ES-II

Low Temperature Rinse Additive

SKU 101100109 - 4/1 gal.
SKU 101100108 - 5 gal.

ES-II is specially designed to lower water surface tension, providing clean, spot-free dishware, even in low temperatures. This product will do an effective job in most water conditions, eliminating the worry of water mineral spots remaining on the dishware.

Maxi-Dri®

Rinse Additive for Extreme Water Conditions

SKU 101100105 - 4/1 gal.
SKU 101100104 - 5 gal.

Maxi-Dri® is designed to handle the problems associated with high total dissolved solids in the final rinse of mechanical dishwashers. It is a heavy-duty rinse additive which will eliminate spots on all types of kitchen utensils as well as preventing gross deposits in the rinse section of the dishmachine. This product can be used in problem water supplies with excellent results.

Rinse Aid HW

Rinse Additive for Hard Water

SKU 101100103 - 4/1 gal.
SKU 101100102 - 5 gal.

Rinse Aid HW is a heavy-duty rinse additive that will eliminate spots on all types of kitchen utensils and prevents gross deposits of water hardness minerals in the rinse section of the dishmachine. This product can be used in the hardest of water supplies with excellent results.

ES-III

Liquid Sodium Hypochlorite

SKU 101100101 - 5 gal.

ES-III is a quality checked 6.40% sodium hypochlorite solution that is specially designed for use in low temperature dishmachine operations. It may also be applied as a "no-rinse" sanitizer to food contact surfaces and equipment. This product provides immediate chlorine release for rapid bactericidal action when used as directed. It promotes free rinsing and protects food from contamination.

Lime Solvent

Heavy Duty Delimer

SKU 101100009 - 4/1 gal.

Lime Solvent is an acid based blend designed for rapid lime and mineral soil removal. It provides quick penetration of lime soils and free rinsing for exceptional results. It is an excellent choice for the recirculation cleaning of dishmachines. This non-fuming acid concentrate may also be used to remove lime or mineral films on other kitchen equipment or utensils.

Bacterial Digestant

Bio-Active Drain Maintainer

SKU 101100065 - 4/1 gal.
SKU 101100066 - 5 gal.

Bacterial digestant contains selected strains of natural enzyme-producing bacteria. These special strains are efficient at digesting organic waste to help eliminate malodors. Bacterial Digestant contains no harmful acids, caustics or solvents and is ideal for use in maintaining free flowing, odor-free drains, plumbing, grease traps and septic systems.

Freezer Cleaner

Special Formula for Cleaning in Sub-Zero Temperatures

SKU 101100069 - 4/1 gal.

Freezer Cleaner is specially designed for cleaning walk-in freezers. It provides effective cleaning in sub-zero temperatures, eliminating costly freezer shut down. Its institutional strength formula saves time and labor. This product is non-corrosive and ready to use.

Liquid Bar Glass Wash

First Tank Glass Wash

SKU 101100134 - 4/1 gal.

Liquid Bar Glass Wash is a first tank bar glass washing detergent that leaves glasses sparkling clean and grease free. It is effective for rotary or stationary brush operations and is compatible with all commonly used last tank sanitizers. This product can also be used for care of windows, mirrors and other glass surfaces. It is mild to hands and leaves no residual odor.

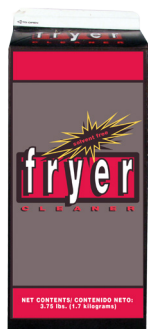

Stainless Steel Cleaner & Polish

Water-Based Cleaner and Polish

SKU 101100128 - 6/1 qt.

Stainless Steel Cleaner & Polish emphasizes beauty of stainless steel by removing surface soil to bring out its rich natural tone and luster. It gives a water repellant finish which prevents spots and makes subsequent regular cleaning easier, faster and better. This product is non-corrosive and provides a bright, dry, non-yellowing transparent protective coating.

Fryer Cleaner

Deep Fat Fryer Cleaner

SKU 101100070 - 4/3.75 lb.

Fryer Cleaner is designed to thoroughly clean deep fat frying vessels with minimum effort, labor and expense, and without harm to equipment. Due to its wetting agent content, water conditioning and high alkalinity, it does an exceptional job of removing heavy grease deposits. Fryer Cleaner rinses well and leaves clean, shining surfaces, free from any build-up. Regular use of this product ensures savory fried foods!

Grill & Oven Cleaner

Concentrated Grill, Oven and Fryer Cleaner

SKU 101100050 - 4/1 gal.

Grill & Oven Cleaner's powerful grease removing components work quickly, without the use of abrasives that can scratch valuable equipment. It completely cleans surfaces and eliminates the cause of rancid odors and stale taste. This product can also be used to clean deep fat fryers and hoods.

Lime-Brite™

Rinse Free Non-Alkaline Floor Cleaner

SKU 101100067 - 4/1 gal.

Lime-Brite™ is a general purpose, non-alkaline, cleaning detergent ideal for cleaning vinyl and asphalt flooring, vitreous terrazzo tile and polished concrete. It also deodorizes surfaces with its pleasant lemon-lime scent. Its rinse-free formula leaves no dulling residue and saves time, labor and money.

QuarryGrip®

Floor Cleaner & Traction Treatment

SKU 101100068 - 2/1 gal.

QuarryGrip® is a heavy duty floor cleaning and traction treatment for quarry tile, porcelain and glazed ceramic tile. This multi-purpose product may be used daily. It helps create a safer work environment by preventing slip and fall accidents.

Cal-Tastic™

Multi-Surface Cleaner & Degreaser

SKU 101100084 - 15 gal.

Cal-Tastic™ is a concentrated all purpose liquid cleaner that dissolves grease and removes stubborn stains and dirt. It leaves no film or residue. This concentrated product is economical to use. Its free rinsing formula rapidly removes all types of soils.

De-Greaser

General Purpose Cleaner & Degreaser

SKU 101100082 - 4/1 gal.
SKU 101100083 - 15 gal.

De-Greaser is a pleasantly scented pine-floral, cleaner/degreaser that quickly cleans greasy soils, atmosphere grime and everyday dirt. It is also an excellent detergent for pressure-spray cleaning operations. It is ideal for cleaning hoods, fans, deep fat fryers and similar items.

Hel-Cat®

Concentrated Cleaner Designed Specially for Static Dissipative Floors

SKU 101100085 - 55 gal.

Hel-Cat® is a concentrated, liquid, multi-purpose cleaner, containing concentrated wetting agents to give fast penetrating action on heavy soils. This product presents no fire hazard and does not contain petroleum solvents, toxic chlorinated solvents or abrasives, making it the perfect choice for use on static dissipative floors.

Skleen®

Neutral General Purpose Cleaner

SKU 101100086 - 4/1 gal.

Skleen® is a concentrated, water-based detergent formulated with synthetic surfactants and builders useful for general purpose cleaning of hard surfaces. It contains no fillers or organic solvents.

Restroom Cleaner

Multi-Purpose Tub & Tile Cleaner

SKU 101100045 - 2/1 gal.

Restroom Cleaner eliminates rust, lime, organic deposits and offensive odors from wash basins, bath tubs, shower stalls, drinking fountains, glazed tile, porcelain enamel, toilet bowls and urinals.

Squeakle™

Superior Window Cleaner

SKU 101100081 - 4/1 gal.

Squeakle™ is designed for fast, thorough cleaning of all glass, porcelain, Formica® and chrome surfaces. It quickly removes soils without smudging or smearing. It easily removes smoke film and grime from windows and auto interiors. This product is applied with a handy trigger sprayer, then simply wiped away without rinsing. It is ammoniated for fast soil penetration and increased detergency. Regular use of this product keeps everything gleaming!

Hyspeed Pink

High Quality Skin Cleanser

SKU 101100087 - 4/4 liter

Hyspeed Pink is a high quality, heavy duty skin cleanser for handwashing and general shower use. It is enriched with emollients that leave hands and skin soft and smooth.

Pink Hand and Body Wash

Pearlized Liquid Soap

SKU 101100089 - 4/1 gal.

Pink Hand and Body Wash is a mild hand soap designed for regular dispenser use. This pleasantly scented, lotionized liquid completely cleans the hands, leaving them soft without irritation or offensive after odors. This product is the economical choice for all hand care needs.

PLS Heavy Duty

Heavy Duty Powdered Skin Cleanser

SKU 101100088 - 12/2 lb.

PLS Heavy Duty is a high quality, granulated skin cleanser. It removes the heaviest soils with ease, yet is mild enough for regular use. This special formula is a blend of natural vegetable scrubbers and emollients to provide gentle, effective cleansing. It contains no harsh chemical irritants, mineral abrasives or caustics that could harm skin.

Lemon Air Freshener

Room Deodorizer

SKU 101100046 - 2/1 gal.

Lemon Air Freshener is a general purpose air freshener and malodor counteractant that effectively eliminates malodors at their source. It removes odors associated with garbage pails, waste baskets, cigarette urns, garbage disposals, urinals, toilets, bed pans, and more.

Blue AF

Vehicle Cleaner

SKU 100948131 - 4/1 gal.

SKU 100948098 - 5 gal.

SKU 100948097 - 55 gal.

Blue AF is a concentrated, light to medium-duty, water-based cleaner and degreaser that has a pleasant citrus scent. It features a penetrating foam that can be used on both interiors and exteriors in carwash settings.

Max 500

Concentrated Vehicle Cleaner

SKU 101100129 - 55 gal.

Max 500 is a concentrated vehicle wash product for brush or soft cloth systems. Its unique blend of ingredients produces large quantities of foam at very high dilution ratios with excellent brush lubricity. Max 500 is ideal for operators who have limited space.

Heavy Duty Laundry Detergent

Combination Break and Suds

SKU 101100049 - 50 lb.

This product is a top quality, powdered laundry detergent. It provides excellent washing and rinsing action to eliminate the need for separate break and suds type products, which lowers inventories and simplifies laundry procedures. This product handles the worst soil conditions while working in both high and low temperature laundry cycles.

Liquid Laundry Break

Alkali Booster

SKU 101100094 - 5 gal.

Liquid Laundry Break is a concentrated, alkaline break for use in automatic liquid dispensing systems. This product is a blend of high alkaline detergent builders, emulsifiers, water conditioners, and soil suspension agents that help boost cleaning effectiveness in the wash cycle. It is designed to be used in combination with a liquid laundry detergent for optimal cleaning efficiency.

Liquid Laundry Break and Suds

Built Laundry Detergent

SKU 101100063 - 5 gal.

This product is a high quality, built liquid detergent featuring a powerful combination of alkalinity and surfactants for superior results. It works well in both low and high temperature wash formulas. It is designed for automatic injection into commercial laundry machines, and can be used on all washable fabrics.

Liquid Laundry Built Detergent

Heavy Duty Laundry Detergent

SKU 101100095 - 5 gal.

Liquid Laundry Built Detergent is a quality, phosphate-free liquid laundry break and suds combination product. When used in conjunction with laundry bleach, laundry sour and softener, this product emulsifies and suspends tough soils, all in one easy step. The use of this product provides whiter and brighter fabric in all laundry operations.

All Temperature Laundry Detergent

Powdered Detergent

SKU 101100507 - 25 lb.

All Temperature Laundry Detergent is a non-phosphate, highly active blend of wetting agents, water conditioning components and soil suspension agents make this product highly acceptable wherever in use. It incorporates optical brighteners to bring out the natural colors of any fabric. White fabric stays whiter and colors stay brighter.

Detergent Plus Bleach

Laundry Detergent and Bleach Combination

SKU 101100048 - 25 lb.

Detergent Plus Bleach is a combination laundry detergent and oxygen bleaching agent. Designed for use in iron-bearing water supplies, or wherever the use of chlorine bleach is unacceptable. It contains enzymes which aid in the removal of organic stains. Pleasantly scented, heavy duty cleaning power provides great results for both white and colored institutional laundry.

Liquid Laundry Detergent

Economical Laundry Detergent

SKU 101100090 - 5 gal.

Liquid Laundry Detergent is designed for use in an automated laundry dispensing systems. This product provides the ultimate in cleaning performance, economy and flexibility. It rapidly wets and penetrates cloth, lifts soil, emulsifies greases and oils and prevents soil redeposition, leaving fabrics fresh and clean.

Liquid Laundry Oxygen Bleach

Hydrogen Peroxide Solution

SKU 101100092 - 5 gal.

Liquid Laundry Oxygen Bleach is an oxygen bleaching agent specially formulated for use on synthetic fabrics and colored laundry. It may be used safely with enzyme presoaks and regular laundry detergents. This product can be used in all temperatures, but hot solutions work best.

Liquid Laundry Destainer

Liquid Bleach

SKU 101100093 - 5 gal.

Liquid Laundry Destainer is a concentrated sodium hypochlorite solution for use in laundry bleaching. It is designed for automatic dispensing. Liquid Laundry Destainer will keep white fabrics free of stains and aid the overall cleaning program. Care should be taken to reduce the level used as the strength is over twice that of normal household bleaches.

Liquid Laundry Sour and Iron Remover

Liquid Laundry Sour and Iron Stain Remover

SKU 101100113 - 5 gal.

This product is designed to neutralize the alkaline residues of detergents, water hardness minerals and iron in the rinse cycle of laundry programs. It can be used in any type of automatic laundry chemical feeding system. It also prevents fabric harshness, excess wear and browning during ironing.

Liquid Laundry Sour and Soft

Combination Souring and Softening Agent

SKU 101100111 - 5 gal.

Liquid Sour and Soft includes the highest quality souring agents, excellent cationic fabric softeners and optical brighteners to leave cloth fresh, clean, bright and soft. It should always be used in the final rinse of the laundry program and can be used in all water temperatures.

Liquid Laundry Softener

Concentrated Fabric Softener

SKU 101100112 - 5 gal.

Liquid Laundry Softener is a liquid cationic fabric softener for all types of laundry operations. It is highly concentrated to provide fluffy and soft fabric. This product is economical to use because it reduces the pulling and extraction time of loads, eliminates static, reduces sticking and increases comfort of all clothes and linens.

Concentrated Emulsifier

Oily Stain Remover and Preventative Agent

SKU 101100131 - 5 gal.
SKU 100904613 - 15 gal.

Concentrated Emulsifier is a highly concentrated oily stain remover and preventive agent. Designed for use on cotton, cotton/polyester fabric, this product is safe for use on all colorfast dyes. Use of this product eliminates costly pre-soaking and reduces rejected loads.

Liquid Laundry Emulsifier & Presoak

Concentrated Liquid Presoak

SKU 101100132 - 4 1/1 gal.

This product is a concentrated laundry emulsifier/presoak especially designed for the institutional laundry operation. Where soil loads are heavy, this product will begin to break down the soil prior to the wash cycle. It is fortified with special grease emulsifiers that will tackle the job. It's a must for stubborn stains that are difficult to remove during the regular wash cycle.

Laundry Prespotter

Laundry Spot Remover

SKU 101100047 - 12/1 qt.

Laundry Prespotter will do an outstanding job at removing most stains from a wide variety of fabrics. When applied directly to the stain or spot this product works immediately to penetrate the fibers, solubilize soils, and prevent redeposition. It aids overall detergent ability — a bonus for all laundry operations.
