

Soak-It

Utensil Presoak

This product is a concentrated detergent especially designed for pre-soaking of silver and stainless steel utensils. Its excellent soil penetrating and softening abilities quickly loosen dried-on or hardened foods. Silverware or stainless comes out clean after each trip through the dishwasher.

DIRECTIONS FOR USE

Equipment: Measuring scoop or cup, bus pan.

Use Dilution: 1 ounce to 2 gallons of water.

In a plastic pan, dissolve 1 ounce of product to 2 gallons of water. Place stainless and/or silverware in solution for several minutes. Remove, rinse and wash in dishwasher in normal fashion.

NOTE: Never pour product directly over utensils.

SAFETY REMINDER

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped. It is also available on our website or from the distributor.
