DIRECTIONS FOR USE

Heavy Duty Cleaner/Degreaser is designed to be used with a chemical dispensing system.

It will automatically dispense Heavy Duty Cleaner/Degreaser at the proper use dilution, assuring consistency and economy.

For Spray and Floor Cleaning: Dilute 2 ounces of product per gallon of water.

For Machine Cleaning: Dilute 1 ounce of product to 1 gallon of water.

NOTE: Floors will be slippery when wet or contaminated with foreign materials. Promptly clean-up spills and foreign materials.

SAFETY REMINDER

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at www.uschemical.com and is also available by scanning the QR code on the label.
