IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at www.uschemical.com and is also available by scanning the QR code on the label.

PRODUCT DIRECTIONS

EQUIPMENT TO USE

Spray Bottle, Cleaning Cloths, Rubber Gloves, Eye Protection.

DIRECTIONS TO USE

USE DILUTION: Ready to use. Do not use on aluminum.

FOR GRILL CLEANING: 1. Scrape heavy debris from grill surface. 2. Raise or lower temperature of grill to 150°-180°F. 3. Spray or pour product on entire grill surface. Do not dilute. 4. Wipe grill with cloth or non-abrasive pad. Longer contact time may be needed for heavier soils. 5. Rinse with a mild acid solution of a food grade acid. 6. Follow with a fresh water rinse. 7. Reprocess grill with cooking oils to prevent from sticking.

FOR OVEN CLEANING: 1. Raise or lower temperature of oven to 150°-180°F. 2. Spray on product. (WARNING: DO NOT spray into heated oven over recommended temperature.) 3. Wipe clean with damp cloth or sponge. Rinse with a mild food grade acid solution.

PACKAGING

This product is available in 4/1 gallon cases (063948).
