IMPORTANT

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available on our website at www.uschemical.com and is also available by scanning the QR code on the label.

PRODUCT DIRECTIONS

DIRECTIONS TO USE

Pre-flush with lukewarm water.

Tank #1: Wash in a solution of 1-2 ounces of product up to 10 gallons of warm water (80°–120°F), depending on soil.

Tank #2: Rinse in clean water.

Tank #3: Sanitize with a recommended sanitizer. Air dry, never towel. Store dishes in a clean, covered place.
